To The Secretary to the Government of Madras,

LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

I have the honour to address Government on the question of additional staff of ward attendants and toties for the Government Head Quarter Hospital, Mangalore.

2. The Advisory Committee of the Hospital at their meeting on 16th July 1923, strongly recommends the entertainment of 4 additional ward attendants and an additional toty for the hospital. The recommendation of the Advisory Committee for the additional staff has been carefully scrutinized and as a result of a comparison of the staff at Mangalore with that at the Head Quarter Hospital at Berhampore which contains

nearly

I was allowed 1
3 Totis,

nearly the same number of beds as at Mangalore, I consider an additional staff of 3 ward attendants and one additional toty is absolutely necessary for the efficient working of the Institution as explained below:-

There are at present 5 ward attendants on the staff of the hospital and the Superintendent states that they are unable to cope with the work efficiently in as much as they have to attend to in and out-patients and to do night duty. The number of beds in the hospital has been increased from 38 to 58 from 1st April 1923 and the average attendance of in and out-patients for 1922 is 68.82 and 230.62 respectively. The existing proportion of ward attendants to beds at the hospital works out to 1 : 12 and according to the recommendations of the Hospital Equipment Committee there should be 1 ward attendant for 5 beds in Head Quarter Hospitals. There are at present 3 toties on an average of 1 to 13 beds and this number is found to be very inadequate especially when the number of beds has been increased by 20. An additional toty is necessary which will bring the proportion to 1: 15.

p 69 (K)

3. In the circumstances it is recommended that sanction to the entertainment of 3 additional ward attendants on Rs.12-18 each and an additional toty on pay not exceeding Rs.12/- may kindly be accorded.

4. The extra expenditure involved in the proposal is Rs.48/- per mensem and this can be met from the current year's budget provision under "32(b) Medical - Hospitals and dispensaries - Mofussil hospitals and dispensaries"

I have the honour to be,

Sir,

Your most obedient servant,

T. W. Jellicoe

Offg. Surgeon-General with the Government of Madras.
